President's Message

2020 marks an auspicious milestone in the history of Fiji Golf Association of Canada. It is the 25th anniversary of the birth of Fiji Golf Association in the summer of 1995.

Happy 25th to FGA!

On this special occasion it is only fitting that we acknowledge the pioneers; our founding members who planted the seeds which today are enjoyed by all our members. It was summer of 1995 when a group of friends got together, the venue – Burnaby Mountain Golf Course with an ambitious goal to organize golf tournaments on regular basis to be held in the Lower Mainland. Furthermore, it was also decided that we form an organization in accordance to the Society's Act and elect individuals who would be bestowed with the power to coordinate all the tournaments.

At the very first meeting there were at least 15 to 18 members and they elected the very first Board of Directors of Fiji Golf Association.

Personnel elected to the offices were President – Michael Kumar, Vice President – Brian Dass, Secretary – David Sami, Treasurer – Udit Narayan.

Fiji Golf Association of Canada was born. The club was registered and had its own constitution and bylaws. The mission which continues today is to promote and encourage good fellowship amongst the members of the Association, and to advance awareness of the game of golf within the Fijian community. Over the years our membership has grown and today we embrace members of other ethnicities and are proud to say the Club belongs to all.

Along with the growth of our membership our golf tournaments have also expanded from playing in the Lower Mainland to other Provinces as well as in the USA namely Washington and California. This shows the power of the game of golf, a sport that has become increasingly popular and competitive.

To commemorate the occasion FGA has published this 25th Anniversary magazine containing memories past and present. My heartfelt thank you and appreciation to the 25th Anniversary Committee Members for their hard work and collaboration in putting together this wonderful magazine.

Michael Kumar
President – Fiji Golf Association

"Golf is deceptively simple and endlessly complicated, it satisfies the soul and frustrates the intellect.

It is at the same time rewarding and maddening – and it is without a doubt the greatest game mankind has ever invented" - Arnold Palmer

Congratulations from the Nanubhai Family

FIJI HONOURARY CONSUL

June 15, 2020

On behalf of the Government of Fiji I would like to congratulate the Fiji Golf Association, its Directors and Members as they prepare to celebrate their 25th Anniversary.

The year of inception would have been 1995 when Fiji Golf Association was formed. It is wonderful to see that many of the directors from 1995 continue to faithfully serve on the board. It is by virtue of this that the Fiji Golf Association has maintained its significance in the crowded field of organizations and still remains relevant to this day.

Not having being a golfer personally I can still appreciate the effort that goes into organizing tournaments and events such as the one being celebrated today. I commend those individuals who allow for former Fijians and friends to be able to collectively participate and socialize on a regular basis.

I wish the Fiji Golf Association all the best in the future.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bobby Naicker'.

Each year since 2008 members of the FGA contest for the Todd Cameron Yager MacKay Trophy. It is with delight and pride that both of us present this trophy to the winner each year.

Congratulations to Fiji Golf Association for achieving this milestone.

President's Cup is a prestigious annual tournament that allows all the members to participate.

As the President of Fiji Golf Association and one of the Founding Members it was truly an honor and privilege to donate two President's Cup trophies – one for Low Gross and one for Low Net winners.

My brother, Francis Kumar and I decided along with my family to name the two trophies in honor and memory of our parents, late Mr. Shui Ram Phagu and Mrs. Dorothy Wati Phagu.

We are delighted to be part of this legacy and look forward to many more years of intense competition for both trophies.

Our family would like to take this opportunity to congratulate Fiji Golf Association on achieving such a milestone.

Tournament of Champions

I joined Fiji Golf in 1997 and have been a member since then. There were several annual golf tournaments been held through the golf season but I noticed that there was no tournament just for all the winners of the regular golf season.

I approached the Board with the concept of holding a tournament just for the winners and calling it Tournament of Champions.

I discussed the concept with my family, my wife Irene and my two children Vincent and Roselyn, all were very supportive to donate an annual trophy in memory of my parents, Mr. and Mrs. Armogam Mudliar.

Sheila and I would like to congratulate The Fiji Golf Association on achieving this great milestone.

I joined FGA in approximately 2002 and now am a playing member and a director.

FGA has come a long way in the last 25 years.

Congratulations.
